Creative Activities - Creating a Flyball Team: Part 1

A Team Name

Think about the qualities you want your flyball team to have and make a list of adjectives. For example:

- Playful
- Fun
- High energy
- Fast

Think of some names for your team. Some things that will help you decide include the kinds of dogs, where your team is located and the main qualities (see your list above). Here are some examples:

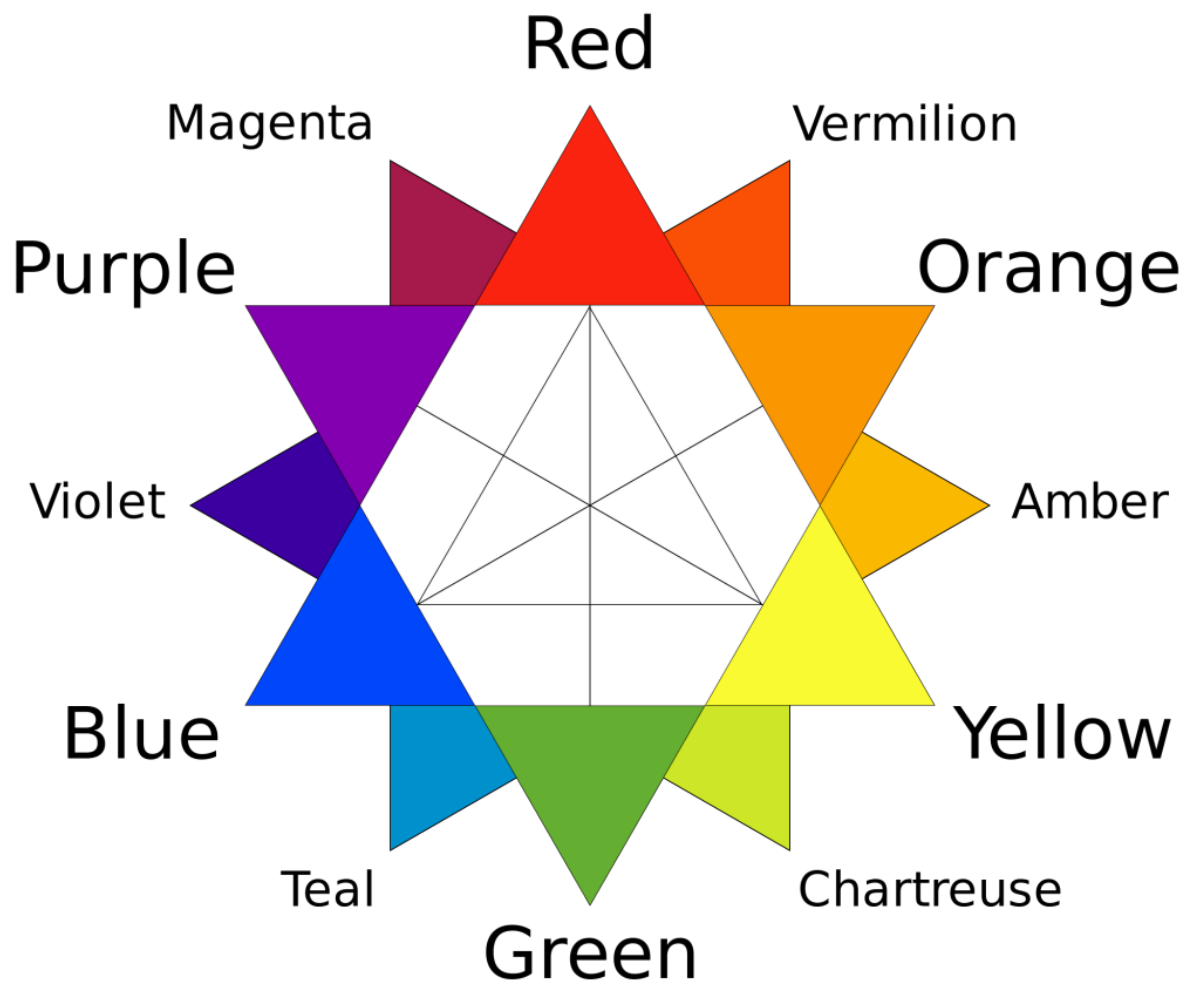

- The San Diego Speedy Barkers
- Daring Dogs from Dallas
- Fast and Furious Flyball
- Sydney Speedy Pups

Make a list of possible names, then take a vote.

Choosing Flyball Team Colors

Why do you think choosing colors for your team is so important?

1. Take a look at the color wheel below and choose two colors that you think go well together. For example, blue and gold.
2. Make a list of the color combinations your class likes.
3. Vote on your team colors.
